

BRYAN WOOD

**Combat Veteran,
Former Undercover
Detective**

AUDIENCE TAKEAWAYS

- **Proven frameworks** for building influence and authority in a crowded digital space.
- **Real-world intelligence tactics** adapted for business growth and brand dominance in the world of real estate.
- **Psychological insights** that turn engagement into lasting trust and conversion.
- **A highly motivational experience** designed to inspire Realtors to execute with clarity, confidence, and a tactical mindset.

BOOK BRYAN TO SPEAK BRING TACTICAL INTELLIGENCE TO YOUR STAGE

Bryan Wood is a U.S. Army combat veteran and former undercover intelligence detective who mastered the psychology of digital influence while tracking suspects and decoding human behavior online. Today, he teaches real estate professionals how to command attention, build authority, and convert trust into measurable growth in the digital arena.

SIGNATURE TALKS

1. **The Agent's Advantage: Social Media Warfare for Real Estate Professionals**

A tactical playbook for Realtors who are ready to stop posting aimlessly and start operating with precision. Learn how to analyze your market like an intelligence operative, position your brand like a mission, and dominate your digital territory with absolute strategy and confidence. With a potent blend of finely tuned training and powerful motivation, Bryan's unique delivery style and story-telling ability will have listeners leaning in and begging for more!

2. **Intel to Influence: The Psychology of Digital Trust**

Uncover the behavioral triggers that drive human engagement and loyalty online. Bryan breaks down the same psychological principles once used in covert operations—now reengineered to help real estate professionals build authority, craft influence, and create unshakable digital trust on social media.
